#development #distribution

Food Bank

Structure : HAUTE SAVOIE FOOD BANK

Banque Alimentaire de Haute-Savoie

CRANVES-SALES | Auvergne-Rhône-Alpes

As the leading national food aid network, the Food Banks are committed to working every day to build a more just, more inclusive, and more sustainable society. Their work is fully aligned with the Sustainable Development Goals (SDGs) defined by the United Nations

OUR ACTIONS

Collecting: We collect 1,690 metric tons of food free of charge, including 800 metric tons saved from waste.

Distribute: We then redistribute these food items throughout the Haute-Savoie department.…

Support: We support 72 partner associations and **CCAS…**

PROJECT: Winner of the Crédit Coopératif's 2026 Initiative Award for combating food

waste and food insecurity by transforming donated fruits and vegetables into prepared meals
