The Aiguilles in
Queyras

Provence-Alpes-
Côte d'Azur

"L'Escambi" means "sharing" in Occitan. We hope that the space we want to build for our community will live up to its name!

In this space, right in the heart of the village of Aiguilles, you can have a coffee, grab a bite to eat (homemade, made together, of course). Meet up with friends, get to know neighbors near and far. Just relax, read a book, browse, and support local, sustainable businesses. Learn, discuss, cook, craft, create, and exchange ideas. Share.

This space is what we make of it!

Welcome to everyone.
