## A COMMUNITY GARDEN TO TEACH CHILDREN THE JOYS OF NATURE

Structure : THE SONGS OF THE HUMMINGBIRDS

Besse-sur-Issole

Provence-Alpes-  
Côte d'Azur

The association aims to share the joys of nature and the outdoors with children, and to strengthen the connection between people and biodiversity in a space for exchange, sharing, and intergenerational learning. Many projects are taking shape in the minds of the Colibris for this community garden.

Garden enthusiasts and hobbyists coming together to preserve our Earth
