Give a second life to anything that can be reused

Structure : A WONDERFUL FLEA MARKET

Six-Fours-les-Plages

Provence-Alpes-Côte d'Azur

The Bric à Brac Merveilleux organization is located in the town of Six-Fours-les-Plages (83140).

ABOUT US

The BRIC À BRAC MERVEILLEUX association is a nonprofit organization dedicated to recycling, with the goal of reducing waste and giving a second life to anything that can be reused (indoor and outdoor furniture, dishes, appliances, men's, women's, and children's clothing, jewelry, handbags, books, toys, linens, gardening tools, decorative items, paintings...). The primary goal is to recycle at low prices!

THE SHOP

All items in the shop come from donations. If the item is in good condition, we put it up for sale directly in the store after cleaning it. If the item needs restoration or repair, we take it to our workshop to restore it before selling it.
Hours: Monday - Tuesday - Thursday - Friday: 9 AM - 12 PM and 2 PM - 6 PM.
Wednesday: 1 PM - 6 PM.

VALUE: BEING ECO-FRIENDLY

Rather than buying flat-pack furniture or soulless tableware, we should recycle these “old” objects.

These very items tell a story and are just waiting for a second life. Plus, they’re often of much higher quality.
