#kitchen

Cantine-Rev: preparing and distributing meals at very low prices as part of a community initiative

Structure : Manalia

Sète | Occitanie

La Cantine-Rev is open on Thursdays at lunchtime (prepared with the children on Wednesday afternoons). Sign up on-site (meal price: €2.50 for children and those in financial need / €5 for everyone else).

The idea is to offer meals at cost to both children and anyone passing by.

Meals are 100% prepared on-site with the help of the children and using products from the Paniers Solidaires. These include organic, unprocessed, local, and artisanal products, selected according to the seasons, transported responsibly, with minimal packaging, and definitely not sourced from the food industry.
