#travel

Preserving the quality of life and the environment for the residents of B@nouville

Structure : Benouville Environment

Bénouville | Normandy

Founded in 2003, Bénouville Environnement (formerly ADQVB) is a nonprofit organization established under the French Civil Code of 1901, dedicated to preserving the environment, ensuring traffic safety, promoting urban planning, and enhancing the quality of life for residents of Bénouville and surrounding communities where these issues are shared.
