REUSE IN THE SERVICE OF CULTURE

Structure : The Performing Arts Resource Center (LRDS)

Île-de-France

Founded in 2014, La Ressourcerie du Spectacle collects, repurposes, and shares knowledge and resources through the collection and reuse of equipment and materials, with the aim of offering sustainable technical solutions and fostering new forms of artistic creation.

It has ecological, artistic, social, and cultural objectives.

OUR ACTIVITIES

- - We offer for sale and rent secondhand performance equipment that has been collected and refurbished in our workshops at affordable prices.

- - We offer PRESTADD-certified equipment (Prestadd is aimed at any organization working in the performing arts and events sectors that is committed to contributing to sustainable development goals while fulfilling its environmental and social responsibilities)
- - Audiovisual electronics repair workshop
