Third Place: Intermunicipal Project

Structure : My CauCas'Ri

Castelmoron-d'Albret | New Aquitaine

Ma Caucas'Ri was founded in our rural community. It is based in the towns of Caumont, Rimons, Castelmoron d'Albret, and Saint Martin du Puy, and serves all the surrounding villages.

Ma Caucas'Ri is what is known as a "third place." A place where, by bringing different people together, initiatives emerge…

It is an intermunicipal and rural project managed by a nonprofit organization under the 1901 law.

What is it for?

To meet others, build connections, spend time together, engage in activities, participate in workshops, organize projects, concerts…

Anything is possible—it all depends on us.

We support all kinds of initiatives: social, cultural, artistic, athletic, and economic.

Our offerings:

- Shared workspace with a meeting room in Caumont
- Artisans' workshops with a shared shop in Castelmoron d'Albret
- Bread house to establish a farmer-baker in Saint Martin du Puy
- Bringing the climbing cliffs up to code and creating a venue for hosting festivals in Rimons.
