

#flora

INFORMATION, KNOWLEDGE, AND PROTECTION OF THE SEAS AND OCEANS.

Structure : Eleau

Provence-Alpes-
Côte d'Azur

A recognized public interest organization—ÉLEAU helps you learn about marine life; let's protect it together

ÉLEAU was founded in 2015 by enthusiasts and professionals in the fields of visual media and the marine world, driven by the need to raise awareness among all audiences about marine life and its fragility.

Writing, filming, sharing, raising awareness;

Wherever you are, on vacation or at home, ÉLEAU takes you on a journey to discover marine life—whether on shipwrecks, in the sand, or on the rocks, every species has its own way of life.

ÉLEAU is here to inform you and help you protect this rich and wonderful life.

EVENTS - ACTIONS:

- Participation in the Science Festival
- Conferences and debates
- Public awareness campaigns
- Exploring underwater shipwrecks
- A Day at Port-Cros National Park
