OBJECT LIBRARY THAT OFFERS AN ECONOMICAL AND ECO-FRIENDLY ALTERNATIVE

Structure : LOWBJETHEQUE

Provence-Alpes-
Côte d'Azur

Wbjethèque is an object library that offers an economical and eco-friendly alternative to buying new products through a service that lets people borrow everyday items.

Rooted in a low-tech approach that seeks technological simplicity, it offers simpler and more economical solutions to meet the needs of occasional use.

Through its program of activities, LOWbjethèque helps people reconnect with knowledge and skills related to the life cycle of objects.

It organizes making and repair workshops, awareness-raising events, and themed gatherings on resource conservation.
