#economy #environment #support

To help people live better in their homes through practical actions and advice from experts in various fields.

Structure : CREAQ

New Aquitaine

Empowering everyone to get involved and take action for the housing of tomorrow

CREAQ, a regional leader in the energy transition

For over 20 years, CREAQ has been helping people live better in their homes through concrete actions and multi-disciplinary advice.

Who is it for? For all individuals looking to save energy in their homes, households facing energy poverty, as well as local governments and professionals seeking to adopt a more environmentally friendly approach and raise awareness among their teams

STATISTICS:

- **187 municipalities supported** through energy renovation platforms
- **200 schools** supported annually in Nouvelle-Aquitaine
- **2,000** energy **consultations** provided each year

- **5,000 people educated** about the challenges of the energy transition each year
