RECYCLING CENTER: REUSING WASTE, PRESERVING AND FOSTERING LOCAL SOLIDARITY

Structure : La Régnycerie SE

Regny

Auvergne-Rhône-
Alpes

The goal: To contribute to sustainable development through the reuse of waste, the preservation or creation of community ties, and participation in environmental education.

Its primary objective is to pursue social utility,

Collecting donated items to develop activities tailored to the community's social context, promoting the inclusion of people in need, and organizing participatory projects to improve housing.

The rural recycling center La Régnycerie is open Wednesdays and Fridays from 5:30 PM to 7:00 PM for browsing
