

#coworking

WORKSPACES DESIGNED FOR COLLABORATION, MEETING ROOMS, AND PRIVATE OFFICES

Structure : Third Place 21

The logo for 'Le 21 Tiers-lieu' features the number '21' in a large, bold, blue font. The word 'LE' is written in a smaller, black, sans-serif font to the left of the '2'. Below the '21' is the text 'Tiers-lieu' in a black, sans-serif font.

Uzès

Occitanie

Located in the heart of Uzès, on Place aux Herbes, we offer **workspaces**, areas for collaboration, meeting rooms, and private offices. We are developing a project incubator to address societal challenges.

Open to both individuals and professionals, Le 21 offers training, inspiring gatherings, and tailored support for project incubation. By fostering synergy among its members, it embodies a model of collective intelligence and co-creation dedicated to a sustainable and inclusive future.

At Le 21, our third place can help you:

- prioritize (through a critical yet supportive assessment of your project's development and the relevance of your actions)
- structure (by helping you step back and guiding you in your strategic thinking)
- reassure (by listening to you and helping you find solutions to your challenges)
- build (through our in-depth knowledge of hybrid models and funding opportunities)
- develop (by giving you access to our network, meetings with other entrepreneurs, and potential partners).

Work in a **coworking space**, lead **training** sessions, organize **meetings**, rent an office...

Le 21 welcomes independent entrepreneurs, remote workers, companies, and associations by providing over 250 square meters in Uzès, featuring 5 offices of 20 square meters each—capable of accommodating multiple people—and 3 furnished rooms ranging from 40 to 50 square meters.

Today, more than 50 residents have joined the third-place ecosystem since 2019 and work there daily in our spaces.

A kitchen and a private terrace are perfect for meeting up with community members at lunchtime.

In our spaces:

- Unlimited 450 Mb/s fiber Wi-Fi
- Printer – Copier – Scanner
- Access to common areas – Private terrace
- Access to meeting rooms by reservation
- Equipment (upon request, for an additional fee: projector, video conferencing, flip chart)
