COMMUNITY-BASED SHARED WORKSPACE

Structure : The Adrets Casserole

Les Adrets

In a typical house in the center of Les Adrets, a shared workspace welcomes everyone and every kind of activity. Freelancers, entrepreneurs, remote workers, students, artists, retirees, people changing careers, and job seekers: **welcome to La CÔcotte!**

La CÔcotte also hosts events throughout the year.

While some are for association members only (board meetings, general assembly, annual galette or barbecue, etc.), others are open to residents of Les Adrets as well (Cocotte-Minute, game viewings, game nights, etc.).
