Montpellier

Occitanie

Cowork'in Montpellier is a community-run coworking space, managed entirely by the coworkers themselves.

It is located in the Beaux-Arts district of Montpellier, along the Verdanson River and at the foot of the Écusson.

It features shared offices in a semi-open space, designed for a pleasant working environment.

Freedom, equality, flexibility: Cowork'in Montpellier's plans come with no commitment whatsoever.

All workstations are flexible, and everyone is free to come for a single day or sign up for a monthly subscription, depending on their work schedule, budget, or simply their preference!

A must-visit spot for freelancers and remote workers—whether nomadic or based in one place, just passing through or regulars.

Monday through Friday from 9 a.m. to 6 p.m.
