Training and workshops to support the ecological transition and permaculture

Structure : Breizh Cooperation

Mellionnec Brittany

Breizh Coopération is an organization that offers training, workshops, and internships in the Barde Woodlands area within the PTCE (Regional Economic Cooperation Cluster) to promote:

- ecological transition

- training in shared governance and sociocracy

- community garden

- an introduction to cooperation

- human and social permaculture courses

- Ecology workshop

- Low-tech workshop (simple and resilient technologies)
