An organization that promotes cycling, a bike repair workshop open to cyclists of all skill levels

Structure : OHCYCLO

Montreuil Île-de-France

OHCYCLO is an organization that promotes and facilitates cycling for everyone. Its bike repair workshop is open to cyclists and aspiring cyclists—whether beginners or experienced—who want to repair, adjust, or maintain their bikes on their own.

The goal is to learn how to become a “bike expert” while participating in a human, social, and community-driven adventure where “people come first and bikes come second.”

Sign up and OHCYCLO will provide you with a workshop, tools, and parts to repair your bike yourself. Get started with self-repair.

Workshop hours: **Wednesday, Thursday, and Friday from 5:00 PM to 8:00 PM and Saturday**

from 2:00 PM to 6:00 PM

Disassembly/sorting workshop hours: **Third Tuesday of every month, 5:00 PM to 8:00 PM**

Sales of bikes “refurbished” by OHCYCLO and BicyCode® marking take place at the same location and times.

You can drop off donations of bicycles and bike parts during workshop hours:
