#animation

Promoting social life in rural areas

Structure : The Tribe

Alboussière

Auvergne-Rhône-Alpes

OUR GOALS:

- To be a welcoming and engaging space for local families
- To encourage participation in social and community life...
- To be a leader in community education...
- To make La Tribu's activities visible and accessible to everyone

OUR ACTIVITIES:

- **Performances, movies, and theater:** La Tribu offers a cultural program—previously unavailable—in the heart of villages, in spaces chosen by the residents.
- La Tribu **Outings** facilitates participation in cultural events within or outside the region through a special partnership with the organizer and transportation services.
- **La Tribu's festival:** Once a year, La Tribu organizes a major event that brings together local artistic and cultural actors to connect practices and foster diversity.
- **The Residents' Café:** The Residents' Café is a space open to everyone, designed for sharing a friendly moment with the goal of exchanging ideas, discovering new things, and broadening horizons. It takes place in different locations depending on the conferences and projects being held.

- **The Parents' Café:** The Parents' Café stems from parents' desire to create a welcoming, friendly space for gathering and sharing, with the goal of breaking out of isolation by meeting people going through similar experiences.
- **The Seniors' Café:** Need a place to get together, chat, play cards, or other games? Or just enjoy a cup of tea, coffee, and some cake? Whether you're retired or not, if you're 60 or older, you're all welcome! The Seniors' Café is open every other Tuesday starting at 3 p.m.—a time for sharing and chatting…
- **Transportation Assistance:** La Tribu aims to provide transportation options (private cars, shared vehicles) to help people get around the area.
- **Housing Solidarity:** La Tribu helps share listings and connect people seeking temporary housing for a specific project (internship, job, etc.) with residents interested in experiencing shared living.
