Raising awareness among the general public and our elected officials about the importance of wildlife conservation and greening initiatives

Structure : ALL-ROUNDERS

Lorient | Brittany

The Tous terriens association is a nonprofit organization established under the French law of 1901 and recognized as being of public interest.

The association has been in existence since 2021.

Its primary mission is to raise awareness among the general public and elected officials about the importance of conserving wildlife, their habitats, and reforestation

Raising public awareness about the importance of preserving and protecting biodiversity in its entirety; guiding the public toward a lifestyle more respectful of our environment; supporting local governments and city halls to re-green our urban and rural communities; offering juvenile court judges and various organizations programs to engage at-risk youth, with the aim of raising their awareness of ecology and potentially inspiring them to pursue training in this field, which could become a major source of job creation in the future; raising public awareness about the importance of animal biodiversity and their habitats
