## RECYCLING CENTER AND REPAIR SHOP IN THE ARCACHON BAY AREA

Structure : ATENOBA

Andernos

New Aquitaine

Atelier Nord Bassin is a nonprofit organization founded in 2016, born out of a local grassroots movement, and dedicated to the social and solidarity economy as well as sustainable development. Its primary goal is to reduce waste through reuse and to promote the circular economy in the Arcachon Basin region

The goal of Atelier Nord Bassin is to reduce waste locally through reuse and to promote the circular economy in the region. The association operates thanks to the active involvement of volunteers and the participation of local residents.

### Our eco-friendly initiatives

- The shop: Tuesday through Saturday, 10:00 AM to 12:30 PM / 2:00 PM to 5:30 PM.
- Every month, participatory repair workshops, such as the Repair Café, are led by volunteers. These events encourage waste reduction.

- Rental of tableware for events

- Our outreach initiatives: Trade shows, community forums to present our initiatives to the public, in schools...
