Montpellier Environmental Student Association

Structure : TEM3

Montpellier Occitanie

About the Association

Terre Étudiante Montpellier 3, or TÉM3, is the environmental student association at Paul Valéry University – Montpellier 3.

It has set itself three core missions:

- BRINGING TOGETHER students concerned about the environment,
- RAISE AWARENESS
- TAKING ACTION for a more just and sustainable campus.

Their projects

- Weekly sales of subsidized organic fruit and vegetable baskets for students
- Running a shared permaculture garden reserved for students
- Distribution of compost bins (*an essential tool for home composting or collecting food waste)*
