## **A COMMUNITY OF COMMITTED ENTREPRENEURS DEDICATED TO MEANINGFUL AND SOCIALLY RESPONSIBLE FINANCING.**

Structure : France Active

France Active, a group of experts committed to working with you to provide meaningful and socially responsible financing.

With our network, it's more than just financing: it's a shared commitment.

We are the financial partner for entrepreneurs leading projects with social and local impact. We stand with you and provide the tools to structure your project to make it financially sound, access bank loans under the best terms, finance the launch or growth of your activities, and expand your social and environmental impact and your work serving your community.

93% of the projects we have supported are still active after 3 years—why not yours?

### **Strengthen your strategy: Build and structure your project's financial strategy.**

*Startup & incubation program, recovery program, workshops, webinars, training, local support mechanisms, guides, and tools for your project...*

**Access bank credit: Get a bank loan under the best terms thanks to the France Active guarantee and our support.**

*Bank loan guarantees, reduction or elimination of your personal guarantee, support with fundraising rounds...*

**Finance your project: Financial solutions developed by France Active to support your project.**

Support grants, participatory loans at affordable rates, interest-free loans, member contribution agreements, equity investments, honor loans, local crowdfunding platforms...

**Expand your impact and collaborations: Join a community of committed entrepreneurs, participate in our events, and strengthen your social impact.** Events and networking opportunities among professionals, entrepreneur communities, support through an “engagement accelerator”...

**Who is it for? Those throughout France who are doing business differently.**

- Committed Entrepreneurs
- Leaders of associations, cooperatives, or social economy enterprises
- Women Entrepreneurs
- Young people under 30
- Residents of priority neighborhoods or isolated rural areas
- People in precarious situations, with disabilities, and far from the job market
