PROVIDE ASSISTANCE TO ANY STUDENT IN NEED THROUGH FREE DISTRIBUTIONS OF FOOD, HYGIENE PRODUCTS, CLOTHING, AND MORE...

Structure : Cop1-Student Solidarity (food distribution)

Cop1 is an independent organization driven by a simple goal: to assist any student in need through free distributions of food, hygiene products, and clothing, as well as access to rights, culture, sports, employment, and numerous activities!

The baskets are designed to offer students a wide variety of quality products. They are tailored to suit everyone's tastes and needs, while providing a broad range of choices.

Students have the freedom to choose the products they want based on their dietary preferences and can customize their basket according to their tastes (vegan, vegetarian, gluten-free, etc.)
