### Welcome to Sillon Lauzé!

**For the past 10 years**, the community café Sillon Lauzé (formerly La Girafe Ronde) has been hosting regular cultural events at its venue in the Pont Pessil neighborhood of Marvejols. Our extensive program includes concerts, DJ nights, open mic nights, parent-child events, improv theater shows, retro gaming, writing workshops, and more...

**LE SILLON LAUZÉ HOSTS CONCERTS ONLY ON FRIDAYS AND SATURDAYS!!**

Supporting a venue and a community project—far beyond a matter of money—also means respecting the spirit of the place, with a commitment to sharing and mutual support among people.

L'EmisSillon is the monthly radio show of Sillon Lauzé on 48FM (frequency 98.3 in Marvejols, 94.1 in Mende, and 95.0 in Langogne), a show that reflects the programming of our community cultural café: musical and eclectic!
