#collection #integration

Association promoting social integration through the upcycling and recycling of clothing

Structure : Solidarité Textile Rouen

Rouen Normandy

Association for the Collection, Sorting, and Recycling of Used Textiles in the Rouen Métropole Area.

Make a donation:

You can donate your clothes, linens, shoes, handbags, and accessories (belts, hats, etc.) that you no longer need.

To do so, there are two options:

- **Find a** drop-off **container** (Voluntary Drop-off Point, 239 containers available) near you. See our interactive map below

- By bringing your donations directly to the association's headquarters: 73A Rue du Général de Gaulle, 76770 LE HOULME (open Monday through Friday from 8 a.m. to 5 p.m.)

If you are moving or clearing out your closets and have a large quantity of donations, you can also call us to schedule a pickup

Sales by the pound: Our exclusive partner FRIP & CO

A social integration enterprise and the sole partner of Solidarité Textiles, Frip & Co handles commercial operations:
sales to individuals and businesses, export sales, sales to French and European wholesalers, cleaning rags…

Recycling is part of a **circular economy** approach**.** This new economy refers to any operation aimed at reintroducing collected textile materials into the production process of a new product. This sector remains largely to be developed. It is this distinction that sets us apart from other recycling sectors (paper, cardboard, glass, etc.).
