Promoting more responsible consumption in Chantepie

Since 2021, we have been thinking about this issue.

In our own way and with our limited resources, we’re trying—like the hummingbird—to find solutions.

That’s how the idea of a recycling center gradually took shape.

A place to help reduce our waste and raise our environmental awareness,

A welcoming place to bring local life to life, simply bringing us residents closer together.

Long-term goals

- Protect the environment by reducing the amount of waste incinerated and minimizing waste

- ?Contribute to employment and the local economy
- ?Enable everyone to get what they need at low prices

Secondhand Association in Chantepie: We accept donations in good condition

- Dishes

- Adult and children’s clothing (up to age 10)

- Children’s books

- Toys

- Small decorative **items**

Drop-off/sales Wednesday through Saturday: 2:30 PM – 5:30 PM
