Dynamob: At Your Service in the Loudun Region

Located in Loudun, our association is here to help every resident of the Loudun region according to their needs, through various services:

- Bicycle rental
- Community transportation
- Advice and support

. The Loudun region comprises 45 municipalities and 7 associated municipalities. We are located in the Vienne department (86). Mobility is a key issue for rural areas. Transportation needs are greater there, due to distances that are often longer than in urban areas. This region remains largely dependent on private cars.

The solutions offered:

Vehicles for your work and training travel. Dynamob provides you with scooters and bicycles for travel related to:

- Internship
- Employment-related administrative procedures
- Employment
- Training

Solidarity Transport: Solidarity Transport relies on a group of volunteer drivers who dedicate some of their time to assist people who have difficulty getting around.

A service for your essential trips:

- Doctor
- Bank
- Administrative tasks
- Social and leisure activities

Advice, Support, and Mobility Guidance: At the Dynamob Association, we advise and guide you to help you become independent in your travel.
