CLEANING UP NATURAL AREAS AND PROTECTING THE ENVIRONMENT; DISASTER RELIEF EFFORTS

Structure : Force Nature 11

Difficulté : facile

Narbonne

Occitanie

Force Nature 11 is a nonprofit organization dedicated to environmental conservation. We are a team of volunteers who organize cleanup, sorting, and waste collection efforts in natural areas throughout the Aude department. We also engage in efforts to raise awareness and prevent risks to nature. Association under the 1901 law, published in the Official Journal on August 15, 2020

The purpose of this association is to preserve the environment and support those responsible for its preservation.

The association's missions are as follows:

- cleanup initiatives in natural areas
- environmental prevention initiatives
- assistance to local communities
- environmental conservation
- Protection of property, people, and animals
- Prevention of environmental risks
- Response and support for natural, chemical, radioactive, nuclear, and technological disasters
- Support for services dedicated to the protection and preservation of the environment and natural areas
