A COMMUNITY HUB IN THE HEART OF TOULON

Structure : L'Amarre

Difficulté : facile

Toulon

Provence-Alpes-
Côte d'Azur

L'Amarre: a community hub, **created by everyone and for everyone**, built on strong values!

Léa will oversee operations while the ship is being built, launched, and the teams trained! Marine and Eva will be her two partners in launching a community initiative centered around the former fishermen's labor court.

More than 50 participatory work sites will be organized: the renovation becomes an opportunity for people to come together, share knowledge, and dream about the possibilities of the local community!

In total, **more than 70 citizen volunteers** helped renovate L'Amarre's first space.

A center for sharing knowledge

L'Amarre has become:

Lectures, film screenings with discussions, and awareness-raising events

Concerts, dances, and shared meals

An information hub for civic engagement

A socially conscious library

A seed bank and cuttings exchange

Workshops and collaborative events that build connections

A space for donations and collection (books, tools, items...)

A thrift store with fair prices

Distribution of unsold items

A sustainable refreshment stand

A repair café
