Eco-village, a community-driven living space in a rural setting

Structure : Mutiny Village

Difficulté : facile

La Lochonnière (Eure-et-Loir)

La Mutinerie Village offers a space for communal living and working that includes accommodations, a coworking space, a communal area (terrace, board game nights, etc.), a digital fabrication workshop with 3D printers and a laser cutter, and a vegetable garden area offering permaculture classes.

Mutinerie Village is

- A typical Perche-style farmhouse with its longhouses, stables, and barns
- A restored and connected space for a turnkey home
- A 50-hectare estate of fields and forests in the heart of the Perche Regional Nature Park
- A permaculture vegetable garden
- Chickens, sheep, cows, horses...
- A place to live: a 200-square-meter home

Fifty hectares all to yourself!
