MAKING CYCLING AN ATTRACTIVE, SAFE, AND COMFORTABLE OPTION FOR EVERYONE

Structure : Vélo Occitanie Collective

Difficulté : facile

Occitanie

The association promotes improved cycling conditions so that every cyclist can choose to travel safely, efficiently, and comfortably throughout the Occitanie region.

To achieve this goal:

- It maintains an ongoing dialogue with mobility stakeholders throughout the Occitanie Region: Government agencies, public institutions, local authorities (Regional Council, Departmental Councils, Metropolitan Areas, Communities of Communes and Urban Areas, Municipalities), transportation companies, and user representatives

- It promotes regular sharing of knowledge and expertise among Occitan cycling associations.
- It focuses on the following priorities:
 - creating a high-quality, continuous, and comfortable cycling network for everyday cyclists and cycle tourists at the regional level, both in urban areas and in rural areas
 - promote intermodality between cycling and public transit through the development of bike racks, secure bike parking, and bike rental services
 - institutionalize dialogue around cycling
 - support the development of local associations
 - develop bicycle services
 - Develop secure bicycle parking and combat bicycle theft
 - make cycling accessible to everyone
 - support the creation of cycling schools
 - adapt national pro-cycling projects and campaigns from various partner networks (FUB, AF3V, CODEP, etc.) to the regional level
 - engage in dialogue on interregional connections

and any other actions that help develop a cycling culture and build a bike-friendly Occitanie Region for the benefit of everyone.
