Rézé

Pays de la Loire

Global Ecology:

Our daily actions have a real impact. We support behavioral change by implementing simple yet effective actions

Local Solutions:

We collaborate with local stakeholders and our partners to tailor our actions to users' needs

Waste Reduction and Vermicomposting

We are based in Rezé, in the Loire-Atlantique department near Nantes. We operate throughout the Loire-Atlantique department (and by bike whenever possible!).

But our work isn't limited to a specific region. We also offer advice to anyone who's interested!
