#grocery store

COMMUNITY-RUN AND MEMBER-OWNED GROCERY STORE

Structure : The Unique Coop

Difficulté : facile

Sète

A community-based cooperative

What is it?

A community-based, participatory, and welcoming grocery store,

Mainly local and organic products sold at cost to members only,

Workshops for sharing knowledge organized by the members,

Members who are involved in decisions and choices!

Who is it for?

For anyone who wishes to:

break free from big-box retailers,

support local producers,

choose a responsible and environmentally friendly way of consuming!

How does it work?

No markup on products, no employees, thanks to:

everyone’s two hours of monthly participation,

the annual membership fee that covers fixed costs,

the transparency of how collective management operates!
