

## PROTECTION OF BEARS, WOLVES, AND LYNX, AND SUPPORT FOR LIVESTOCK FARMERS

Structure : Ferus

Difficulté : facile

Arles

Provence-Alpes-  
Côte d'Azur

Association for the Protection of Large Predators in France. We work to conserve bears, wolves, and lynx through field and volunteer programs, legal actions, lobbying, and outreach to the public and the media, in particular

Projects:

- Pastoral management project
- Assistance with nighttime herd monitoring

- Technical support for livestock farmers
- Meetings and dialogue to foster social connections
