# EcoLieu in La Chabanne / A welcoming and resilient community space in the Montagne Bourbonnaise!

Structure : Wild Herbs

*Difficulté : facile*

La Chabanne | Auvergne-Rhône-Alpes

**Community Bar Les Herbes Folles**

In a lush green valley, a welcoming barn opened its doors in September 2023. This meeting place invites you to enjoy a friendly atmosphere (bar, concerts, entertainment, games…) and to share ideas on resilience (workshops, lectures, participatory projects…).

We prioritize local, organic, and artisanal products for our beverages (beer, wine, fruit juices, syrups…) and for our appetizer platters (cheeses, quiches, homemade spreads, sourdough bread…).

The bar is open every Friday from 6 PM to 1 AM, as well as during special events and activities!

Feel free to come visit us and enjoy the many activities available: pool, board games, pétanque court, darts…

At Les Herbes Folles, we're experimenting with a **sustainable** lifestyle **that respects life and is rooted in the local community:** eco-construction, energy and food self-sufficiency, permaculture, low-tech living, as well as mutual aid networks, social connections, and so much more!

This place offers various ways to get involved (community bar, workshops, volunteering, tourism...), allowing you to **discover and share these alternatives,** or simply have a good time and recharge your batteries in a **natural and welcoming setting.**
