## PARTICIPATORY ECOLOGY COOPERATIVE

Structure : Living Earth

Difficulté : facile

Journalists, gardeners, managers, technicians, ecology and sustainable development consultants, publishing professionals, salespeople... are putting their creativity, energy, and expertise to work to:

- Publishing practical books tailored to everyone, from experts to casual enthusiasts;
- Covering all *four seasons*;
- Bringing the Terre Vivante Center to life, welcoming you there, and guiding your exploration;
- To offer you these spaces for knowledge and exchange in the service of ecology.
