An organization dedicated to housing and social integration

Structure : Habitat and Humanism

Difficulté : facile

Montpellier, Béziers, Sète

Occitanie

Founded in 1995, Habitat et Humanisme operates in the Hérault department through two branches, in Montpellier and Béziers. A team of 130 volunteers and 25 staff members is dedicated to
supporting families, searching for properties, overseeing construction and maintaining housing, as well as handling the administrative, legal, rental management, and communication tasks necessary to fulfill the association's mission.
In total, Habitat et Humanisme Hérault has more than 350 housing units to accommodate people in need in suitable housing, thereby addressing various forms of housing insecurity.

In response to the growing demand for housing to accommodate people facing extreme hardship, we were selected by the Metropolitan Area to establish a third boarding house with a capacity of 25 units in Montpellier. It has been operational since early 2024.
