#collection #waste

Harvesting and sale of value-added dried bread

Structure : Bread of Hope

Difficulté : facile

PAIN DE L'ESPOIR

Montpellier Occitanie

Bread that has not been sold or consumed is repurposed by the organization and sold to farmers in 14-kg bags: €6 per bag, or €5 per bag for purchases of 20 bags or more.

Proceeds from the sale are donated to humanitarian organizations.

Pain de l'Espoir aims to

- to **combat** bread **waste**
- to **help vulnerable people**, particularly victims of natural disasters
- to serve as a **workshop for people with disabilities**

The organization is run entirely by volunteers and is independent of any philosophical, political, or religious movement.
