LE RECYCLAGE LODEVOIS

Lodève | Occitanie

We welcome your donations at the Recyclage Lodévois recycling center.

We partner with the employment-focused organization “L’Abeille Verte” to recycle and reuse textile materials, as well as to offer sewing classes.

This organization creates affordable, upcycled clothing lines for the whole family using reused textiles.

We partner with the nonprofit platform “Recycl’Aides 34” to repair and recondition medical assistive devices.
