Thrift store and job training workshop

Structure : La Glanerie

Difficulté : facile

Toulouse Occitanie

Drop-off: Items may be dropped off ONLY at our collection points located at the recycling center **?**

La Glanerie is unable to pick up your items from your home.

Our mission is to promote reuse through your donations.

La Glanerie employees are stationed at the five recycling centers in Toulouse as well as the one in Cugnaux to set aside items that can be reused. We also collect items for reuse at the recycling centers in Ramonville, Saint-Alban, and L'Union.

Sorting & Upcycling: All collected items are weighed, cleaned, repaired, tested, customized, and more by our staff in various workshops. From simple refurbishment to complete transformation, discarded items are given a second life!

The 2 Stores: In our two stores, you'll find everything you need for your home: clothing, shoes, and bags; books, CDs, DVDs, and vinyl records; games and toys, stationery, bicycles (for adults and children), sports and leisure items, furniture (tables, chairs, desks, cabinets, small and large appliances, lighting, DIY and gardening supplies, tableware… and **items made in-house at Glanerie!**

Both shops are open year-round, except on public holidays and during special closures
