Education on the Social and Solidarity Economy in Schools

Structure : L'Esper

Difficulté : facile

Paris Île-de-France

ESPER is an association comprising **41 organizations** from the **Social and Solidarity Economy (SSE)** that operate in the field of education. These are associations, mutuals, cooperatives, and unions that carry out initiatives in various fields: health, insurance, banking, community education, medical-social services, and leisure…

It organizes training sessions, provides educational tools, and supports educational teams in exploring the model, principles, and values of ESS enterprises.

ESPER relies on its **network of regional representatives** and **groups of stakeholders** to work as closely as possible with schools.
