Leading and Supporting Projects and Concrete Actions for Initiatives Promoting Sustainable Regions

Structure : Capacities Workshop

Lyon | Auvergne-Rhône-Alpes

Atelier CAPACITES offers consulting and research services for a variety of projects in the following areas of expertise:

- Urban Planning / Land Use / Urban Design & Regional Planning
- Mobility / Transportation
- Biodiversity / Healthy & Local Food
- Cultural, scientific, and urban events (conferences, film screenings with discussions, etc.)
- Citizen Initiatives & Resident Participation
- Project Methodology & Fundraising

For each of your projects, Atelier CAPACITES offers support tailored to your needs. Our services are designed to meet your specific requirements (workshops, assistance with project design and development, etc.).
