Protecting marine life and biodiversity along the English Channel coastline.

Structure : MARINE LIFE CHANNEL

Calais | Hauts-de-France

MARINE LIFE CHANNEL is an **NGO** registered as a non-profit organization under the French Law of 1901.

The NGO's mission is to protect marine life and the coastline of the English Channel. Raising awareness, advocating for citizens' interests, and taking action to protect marine biodiversity are the association's key priorities

Three main objectives:

- action
- training
- scientific analysis and publication

Key activities

- Waste collection,
- Cleanup efforts,
- Analysis of data collected during beach patrols along the Opal Coast,
- Training initiatives in organizations, businesses, and schools.
