DEVELOPMENT OF A PLAN FOR THE TRANSFORMATION OF THE LIMOUSIN ECONOMY, 2025 2050

Structure : Transitions Limousines

Bonnac-la-Côte

New Aquitaine

Transitions Limousines is a nonprofit organization under the French Law of 1901, founded in October 2022 in Limoges, registered with the RNA under number W872015850 and with the SIREN under number 921282695.

It is working to develop a Limousin Economic Transformation Plan for 2025–2050 (*PTELim*), aimed at achieving greenhouse gas neutrality, building resilience to climate crises and resource pressures, safeguarding public health, and restoring biodiversity.

It is independent and strives to be nonpartisan, committed to adhering to the scientific method, discerning different levels of evidence and nuances on complex issues, and setting aside ideologies, dogmas, and personal beliefs.
