“Les Frusques de Carole” Community Boutique

This community-driven, eco-friendly thrift store is a project by residents for residents. The idea, which originated in 2019, took shape in 2021 with the creation of a volunteer collective within Temps Libre. Recognizing both the demand for a local thrift store and the lack of such a facility in the area, the association embarked on this wonderful project.

The Objectives

- Change consumer behavior regarding clothing purchases
- .– Create a hub for cultural activities and engagement centered on clothing through sewing,

“customization,” and fashion workshops.

- To provide families with access to affordable yet high-quality clothing
- .– To foster partnerships among local stakeholders
- .– To eventually launch a local clothing brand.
