CIVIC, ENTREPRENEURIAL, SOCIALLY RESPONSIBLE, AND ENVIRONMENTALLY CONSCIOUS ENGAGEMENT WITH YOUNG PEOPLE

Structure : The Committed

Pessac

New Aquitaine

The federation that promotes civic, entrepreneurial, solidarity-based, and environmental engagement among young people! Visits to institutions, conferences, debates, roundtables, public speaking contests, and many other events. The organization behind the ELYZE and ADENO mobile apps!

A nonpartisan public-interest federation founded in 2017 in Bordeaux, Les Engagés! aims to promote and foster civic engagement among young people aged 16 to 35! Les Engagés! is the leading organization in France in the field of civic engagement.

- Promote civic, entrepreneurial, solidarity-based, and environmental engagement
- Fostering pluralistic and constructive dialogue on major societal, political, and economic issues
- Bring democracy to life on the ground, promote debate, and make it accessible to everyone
- Provide tools to help people understand current events and how institutions function, particularly for audiences with limited awareness of these issues
- To act in the spirit of solidarity, particularly by carrying out joint initiatives and forging ties

with stakeholders in the nonprofit and humanitarian sectors

- support projects related to civic engagement
