de mobilité

Normandy

Let's keep moving forward!

Mobylis is a nonprofit organization under the French Law of 1901, a social and solidarity economy entity, and a mobility platform serving the departments of Calvados, Manche, and Orne.

The association is also actively involved in a broader discussion on solidarity-based and inclusive mobility, as it is a founding member of the Mob'In Normandie network

OUR INITIATIVES

A wide range of inclusive solutions

We offer various inclusive solutions through several services:

- Mobility consulting and training for employment integration professionals, businesses, and local governments: MobyLis supports businesses through every stage of developing their mobility plan, from identifying key challenges to monitoring the implementation of actions.
- Individual support and mobility assessments: Working with each person to develop a tailored and sustainable solution for getting around—including individual support, follow-up, and workshops.
- Vehicle rentals at affordable rates (2- and 4-wheeled vehicles): MobyLoc, a comprehensive service for renting cars at affordable rates (example rates: Deposit: €230 in cash or by check; rental: €3 per day + 0.20 cts/km), , scooters, regular bicycles or e-bikes, and kick scooters. The rental service is available in several cities throughout the department
- Social garage:
 Breakdown
 diagnosis Used
 vehicle evaluations Repairs: maintenance, oil changes and inspections, parts replacement, accessory installation...
 Assistance with administrative procedures (vehicle registration, technical inspection, insurance, emergency transportation, guidance toward alternative solutions...)
 Networking with other garages for major repairs and the purchase of used vehicles
- Community-based driving school: Access to the social driving school via a referral form from a social and vocational counselor; group information sessions (written test, interview, and driving evaluation); 100% in-person traffic rules instruction; driving lessons; exam fees included
