OUR MISSIONS

- **Collect:** Items are collected from individuals, either through voluntary drop-offs or via dedicated collection channels.
- **Reuse:** Items are cleaned, repaired, restored, or refurbished to make them reusable.
- **Sell:** The refurbished items are offered at affordable prices to meet everyone's needs.
- **Raising Awareness:** We conduct awareness campaigns in schools, with local communities, and among the general public.

Responsible and Community-Focused Furniture Collection: Give your furniture a second life easily: drop it off at our store or take advantage of our free home pickup, subject to eligibility.
