RECYCLING CENTER IN CASTANET-TOLOSAN

Structure : La Rafistolerie

Castanet-Tolosan

Occitanie

The La Rafistolerie association operates a resource center in Castanet-Tolosan, based on the model of the National Network of Resource and Recycling Centers.

Our goal is to help protect the environment by creating jobs and fostering social connections in the Sicoval region through the reuse of items.

COLLECTION

Collections at Recycling Centers

Every Friday morning, we collect your donations at the Labège and Montgiscard recycling centers in the containers designated for reuse. In 2023, we returned more than 7.7 metric tons of items to the reuse cycle.

Collections by Appointment

On an ad hoc basis, if you're unable to come in person, the Rafistolerie team can come to your home to collect items, provided they're of interest to us (for resale as-is, for our internal use, or as raw materials for upcycling).

Drop-offs at La Rafistolerie

(courtyard side): Tuesday and Thursday from 8:30 a.m. to 12:00 p.m. Saturday from 8:30 a.m. to 12:30 p.m.

In our charity shop, you'll find secondhand items that we've carefully selected, then cleaned, repaired, or repurposed to give them a new lease on life.

It is located near the parking
