MAKE LIFE EASIER FOR CYCLISTS; OFFER PARTICIPATORY WORKSHOPS AND TRAINING SESSIONS

Structure : THE BIKE SHOP

Toulouse

Occitanie

La Maison du Vélo, a pioneer in Toulouse's cycling scene since 2005!

We firmly believe that cycling is the smart solution for more breathable cities, more enjoyable commutes, and better health!

Our mission?

To demystify cycling with events that make you want to hop on your bike; to promote cycling by creating projects that transform Toulouse into a cyclist's paradise; and to educate and support people of all ages, beginners or pros, to ride with confidence

Make life easier for cyclists with services designed just for them, in spaces 100% dedicated to cycling

-

WE OFFER

GET BACK

ON YOUR BIKE Learning to ride a bike right in your neighborhood is simple—and it's possible. Whether you're heading to school, work, running errands, taking your kids places, getting some exercise, or just going for a ride... you'll never want to be without that feeling of freedom!

- Private Lessons

- School Programs
- Group Classes

BIKE

RENTAL Bikes ready to ride for your daily commutes or getaways:

- Fully equipped and well-maintained bikes
- Available for rent for 1 day, 1 month, or indefinitely
- For your trips around Toulouse or your nature excursions

VÉLO ÉGAUX

PROGRAM Vélo-Égaux is a national program aimed at removing barriers to cycling for people facing precarious circumstances or social isolation.

The goal: to enable everyone to get around independently, sustainably, and affordably, by combining:

- cycling lessons,
- personalized support,
- access to a functional and suitable bike.

GET EQUIPPED AND REPAIR

Ride safely and affordably by maintaining your bike.

Whether you repair your bike yourself or have a professional do it, you'll gain independence and peace of mind.

- "Apéro Méca" events
- Hands-on workshops
- The shop (spare parts and used bikes)

TRAINING

: Learn About Cycling

Professions and Practices La Maison du Vélo Toulouse is also a training organization specializing in bicycle mobility.

We train professionals, volunteers, and organizations in bicycle-related careers, repairs, outreach, and the sharing of cycling knowledge.

Our training programs are designed for a diverse audience and are grounded in a social, ecological, and practical approach that closely reflects real-world conditions.
